

# Watkins Glen KOA Camping Resort Site Map 2016

**SPEED LIMIT**  
**5**

## Full Hookup RV Sites

All our full-hookup sites have water, sewer, 50/30/20 amps and cable TV. WiFi is available throughout.

**ALL NEW GAZEBO RV SITES IN SUNSET ACRES.** These are BIG RIG, stamped-concrete patios RV sites with the works and now GAZEBOS, too. Just 5 sites...2 pull-thrus and 3 motorhome only drive-into sites.

**PREMIUM PATIO RV SITES** are BIG RIG sites with large stamped-concrete patios and the works. Most are pull-thrus located in SUNSET ACRES as well as end-cap sites in the "A" section.

**UPGRADED PATIO RV SITES** feature regular concrete patios. These include BIG RIG pull-thrus in SUNSET ACRES as well as larger back-in sites in both SUNSET ACRES and the "B" section.

**STANDARD PATIO RV SITES** feature smaller regular concrete patios. They are located in our "A", "C" and "D" sections. The "A" sites are pull-thrus designed for BIG RIGS while some of the "C" and "D" sites can handle RVs up to 40' with the tow vehicle disconnected.

**WOODED RV SITES** are woody back-in sites, most of which are set by the rim of a wide, heavily-wooded ravine. These sites DO NOT have patios.

**Economy RV SITES** include both shorter pull-thrus and back-ins in an excellent central location. They DO NOT have patios. If your RV is 30' or less, these sites offer a lower-priced practical choice.

## Water & Electric Sites

These sites have 50/30/20 amp power and are in our "C" and "E" sections, but do not have cable TV. "C" sites are generally better suited for RVs while "E" sites are best for pop-ups and tents. E76, E77, E97 and E98 can handle mid-sized RVs.

## Tent Sites

Our "E" section tent sites have no-hookups. They are close to our pavilion bathhouse. They are also close to clusters of cabins and pop-up camper sites.

## "KOA Camping Cabins"

A *Camping Cabin* is a cozy, comfortable, secure sleeping unit with electricity and A/C. While they don't have bathrooms, our units are close to our clean, modern bathhouses.

1-room Camping Cabins are the budget choice. They sleep 4 and have A/C, a TV and a mini-fridge.

2-room Camping Cabins sleep 6 and have A/C, a TV and a mini-fridge. These cabins have been reconfigured and upgraded. The back room has a full-size bed and a set of bunks. The front room has a comfortable futon.

## "KOA Deluxe Cabins"

A *Deluxe Cabin* (formerly a Kottage or Lodge) has more of home's comforts including bathrooms with showers. They have A/C, a fridge, and a coffee maker. Most also have a kitchen complete with 2-burner stovetop, microwave, sink & refrigerator.

Our Standard Kottages are Deluxe Cabins that have a bathroom & shower, a futon or queen bed, bunk beds, a TV, mini-fridge & coffee maker. They sleep 4.

Our Deluxe Kottages are Deluxe Cabins with a bathroom & shower, a full-featured kitchen & TV. Sleeping 5, they include a futon, a queen bed, and a single bunk (over the queen bed).

Our Super Lodges are Deluxe Cabins with a bathroom & shower/tub, a full-featured kitchen, 2 TVs, 2 bedrooms, a futon in the living room and a sleeping loft. They sleep up to 6. They are located in Sunset Acres, the premiere section of the resort.

## About our RESORT Deluxe Cabins (shown with a "+")

These cabins have a larger and more amenity-rich outdoor living space. They also come complete with linens and towels. (This does not include maid service.)
